CAMERA (STEADICAM) holds on a man in a suit, sitting behind a desk, on the phone: BARRY EGAN (Adam Sandler)

BARRY

....yes I'm still on hold...

OPERATOR

and what was this?

BARRY

I'm looking at your advertisement for the airline promotion and giveaway?

OPERATOR

This is "Fly With Us?"

BARRY

It's hard to understand because it says in addition to but I can't exactly understand in addition to what because there's actually nothing to add it too...

OPERATOR

I think that's a type-o then, that would be a mistake.

BARRY

So, just to clarify (I'm sorry): Ten purchases of any of your Healthy Choice products equals five hundred miles and then with the coupon the same purchases would value one thousand miles --

OPERATOR

That's it.

BARRY

do you realize that the monetary value of this promotion and the prize is potentially worth more than the purchases?

OPERATOR

I don't know....I mean: I don't know..

OC DISTANT SOUND OF A CAR SKIDDING TO A STOP, SOME VAGUE, DISTANT SCREAMING IS HEARD....THEN SILENCE. Barry hears this, gets distracted, then back to the phone call;

BARRY

Can I call you back if I have any further questions...? can I get your extension?

OPERATOR

It's extension 215 if you want to try me back.

BARRY

Ok. Thank you.

He hangs up the phone and walks through his warehouse. It's fairly non-descript place, boxing materials, etc. Products seem to be mainly silly novelties (pens that light up, key chains, novelty toilet plungers, etc)

He lifts a LOADING DOOR and LIGHT POURS INSIDE, WASHES OUT THE FRAME....he's silhouette....CAMERA follows him out...stays overexposed and over his shoulder as he looks down towards the street.....

...his bussiness is situated at the end of a common driveway, shared with a few other non-descript places and an Auto Mechanic....distant SOUND of a car SPEEDING and SKIDING....

....hold, then:

....a JEEP CHEROKEE comes FLIPPING into FRAME, far off at the mouth of the alley, on the street. The JEEP ends up landing RIGHT SIDE UP....HOLD....

.....Barry flinches a little, stares.....the JEEP sits idle for a moment....then it drives off....then:

A speeding, small TOYOTA comes into view at the mouth of the alley, screeching to a halt. The passenger side door opens and a small, wooden HARMONIUM (like a portable organ) is placed on the ground. The TOYOTA speeds away.....

....a moment or two later another NON-DESCRIPT CAR flies past very fast....

BEAT. Barry squints, looks at the small HARMONIUM sitting alone in the middle of the street.

He hesitates, looks around, holds, then walks back inside his warehouse.

3.

Barry on the phone again;

BARRY

....I'm not exactly sure what that means...

VOICE

If they break or something.
What is it, plastic?

BARRY

It's a plastic, yeah.

VOICE

Right. Alright, lemme call you first
thing tommorrow, I'm gonna run the
numbers, see what's what and I'll
give you a call back --

BARRY

did you have my home phone number?

VOICE

for what?

BARRY

If you wanted to call me back I could...

VOICE

I'm fine, I have your work number.

BARRY

ok...because of the time difference
if you needed to call me early?

VOICE

It's fine. I can just get you at your office.

BARRY

Ok.

VOICE

Ok, Bye, bye.

BARRY

bye.

He hangs up the phone and walks outside, CAMERA follows him
again, out to the alley, over his shoulder.....he looks down
the legnth of the alley at the Harmonium. HOLD, THEN:

A small FORD ESCORT pulls into the driveway, around the Harmonium, parks.....a young woman named LENA LEONARD (Emily Watson) exits the car and starts to walk down the length of the alley towards him.....CAMERA stays over his shoulder and turns into a profile 2-shot;

LENA

Hi. Do you work at the mechanic?

BARRY

No.

LENA

They're not open yet?

BARRY

They don't get opened until eight.

BEAT. Barry gently steps back and out of the FRAME.

LENA

Is it ok if I leave my car you think?

BARRY

I don't know.

LENA

I thought they opened at seven.

(beat)

If I left my car would it be ok?

BARRY

I don't know.

LENA

~~Do you know them?~~

BARRY

Not very well.

LENA

Can I ask you, can I trust to leave my keys with you and give them to you so that when they get here you could give them to them?

BARRY

Ok.

LENA

You think it's ok where I left it, right there?

BARRY

I think that'll be fine.

Lena hands him her keys, he steps back into FRAME, THEN:

LENA

There's a piano in the street.

BARRY

Yeah.

BEAT.

LENA

Ok. Maybe I'll see you later.
Thank you for your help.

BARRY

Thank you.

LENA

Maybe I'll see you later, when
I pick up my car?

BARRY

Ok.

She walks away...he starts back inside the warehouse,
hesitates, watches her go....right before she reaches
the end of the alley, she glances back quickly, over her
shoulder....he dodges inside real quick.....

HOLD THE EMPTY FRAME.....then he steps back
out.....looks off at the Harmonium.....and the empty
street.....he looks around some more....then he makes the
long walk down the street.

ON THE STREET.

Barry stares at the Harmonium a little bit, looks around,
both ways, then casually picks it up and walks back
towards
his bussiness.....

He brings it into his office and places it on his desk.
He tries a few keys....pressing down...there's no sound.

He presses his hand on the foot pedal and presses a key
and a small note is made.....BEAT....he does it again....
and holds the note.....

CUT TO BLACK.

*R5. INT. WAREHOUSE - OFFICE - EARLY MORNING

R5.*

Barry enters the warehouse w/harmonium and runs into his office. He places it on the desk and hits a key: no sound.

Barry goes to his knees and unlatches the bellows. He pumps the bellow, reaches up, presses a note, and another...then stands up into CU. and presses the 5 note melody.....SUDDENLY: THE SOUND OF THE POD BAY DOOR SLIDING....

....Barry spins around, scared shitless, sees: LANCE, who enters the warehouse, Barry rushes out to greet him;

LANCE

Hey, good morning, Barry.

BARRY

Hey...Lance....can I.....

LANCE

You ok?

BARRY

yes I'm fine.

LANCE

Why you wearin' a suit?

BARRY

Um....I bought one. I thought maybe it would be nice to get dressed for work, can I show you something?

LANCE

Yeah.....you got here early huh?

BARRY

....yes.....

They enter into the office, Lance sees the harmonium;

LANCE

what is this?

BARRY

I don't know. I think it's a piano....a small piano.

LANCE

That's not a piano.....I have a piano at home.....where'd you get it?

Lance walks around behind the harmonium....leaving Barry alone....towards the warehouse.....he starts to back up a little.....

BARRY

Well.....it was dropped on the street.....

Sal, Ernesto and Rico all start to come into work behind Barry.....he sees them: CAMERA pushes in on Barry....

LANCE (OC)

Why is it here? Barry....Barry?

BARRY

...it just....I don't know....
....I don't know.

CAMERA pushes in slow as Barry and Lance talk to TWO CUSTOMERS about the flungers which are on display in front of them. They speak all over each other doing shop talk, etc;

CUSTOMER

You do gauranteed sale? etc.

BARRY

We back our flungers 100% and we do ask for a 30 to 60 day display on the floor.....

In the b.g, RICO over the loud speaker says:

RICO

Barry, you're sister's on line one.

Barry doesn't move....

BARRY

Yes.....we do ask for....30 to 60 days....

CUSTOMER

I think you have a call?

Rico turns around, without loudspeaker;

RICO

Barry, you're sister is on line one.

They look at him a moment....

BARRY

I'm just gonna grab this call real quick?

ANGLE, REVERSE. Barry turns and heads for the phone nearby at Rico's station;

BARRY (into phone)

.....This is Barry.

RHONDA

He it's me, it's Rhonda.
Are you coming to the party tonight?

BARRY

Hi, Rhonda, Yes I am.

RHONDA

Bye.

She hangs up.

BARRY

ok. yes I'll see you tonight.

Barry takes a few steps back to the Customers:

BARRY

Sorry about that: One thing I wanted to point out, Dave is that we've just received a large order from the Rio Hotel and Casino in Las Vegas where we're going to be supplying their hotel rooms with the dice and money flunger, so these babies are really moving well right now...

RICO (over loudspeaker)

Barry, You're sister's on line two.
Barry, you're sister's on line two.

Barry tries again to ignore it....

BARRY

With the Aqua Blast Whales and Speed Boats we're gonna ask for a display at eye level for the little kids.....

RICO

Barry --

BARRY

-- excuse me.

Barry walks back to the phone;

BARRY

This is Barry.

KAREN

BARRY

Hello, Karen. I'm just working.

KAREN

KAREN

So you can't talk to me?

BARRY

I have a few people here, I can't really chat right now.

BARRY

Well, I can't talk though --

KAREN

You just fucking said "chat," that is so -- what are you now? "chat." I'm just calling to make sure you show up at this party tonight.

BARRY

Yes, I'll be there.

KAREN

Fine. You get back to chatting with your precious customers.

BARRY

Ok, bye-bye.

Barry snaps out of this, turns, claps his hands in confidence and walks back to the customer's and says:

BARRY

Sorry about that.

CUSTOMER

I didn't know you had a sister?

BARRY

.....Well yes I do.....

(beat)

But one more thing I wanted to tell you guys about the new flungers is that we're making the handles now in a non breakable material called.....

He takes one of the flungers and to demonstrate smacks it on the table....it SMASHES and rice falls out everywhere....

BARRY

ok...this is one of the old ones, I think. Lance do we have any new flungers around?

Lance moves to get a new flunger....

BARRY

That was a little embarrassing and that was one of the old handles so let me get a new one to show you --

RICO (loudspeaker)

Barry, you're sister is on line one.

Barry holds, then;

CUSTOMER

How many sister's do you have?

BARRY

.....I have seven.

CUSTOMER #2

Holy shit. You have seven sisters?

BARRY

SEXY VOICE

I don't lie, Jack. I'm about 5'8, blonde --
34,28,34. Pretty thin, I work out.
My pussy's shaved. My friends say I'm
pretty cute, so....

BARRY

Really?

SEXY VOICE

What do you mean, "really?" Yeah. Really.
What about you?

BARRY

It doesn't matter.

SEXY VOICE

Yeah....you're married aren't you, Jack?

BARRY

No.

SEXY VOICE

You have a girlfriend?

BARRY

...yes...

SEXY VOICE

Where is she?

BARRY

She's...not here...she went out.
She went out of town, she travels alot.

Barry holds his head in his hands for minute, then stands out of it --

*15B. INT. BARRY'S APARTMENT - MOMENTS LATER

15B.*

SEXY VOICE

I'm horny, Jack, what about you?

BARRY

...yeah.....

SEXY VOICE

Does Jack like to Jack Off?

BARRY

sometimes when I'm lonely.

SEXY VOICE

...yeah....well you have me now.

BARRY

You sound very cute, very nice.

SEXY VOICE

Thank you. What do you do, Barry?

BARRY

I have my own bussiness....I work.
I work hard at doing my bussiness.

SEXY VOICE

Yeah....do you do well, do you make
alotta money?

BARRY

I do pretty good, I think. I wish
I was making more, doing a little bit
better. I can't get over a certain hump.
I will...I will crack something soon
I think and really do better...I'd like
to diversify...but I'm doing great,
I think, as a start.

SEXY VOICE

So.....are you stroking it, yet, honey?

BARRY

No.

SEXY VOICE

Well why don't you take your pants off
and stroke it for me?

BARRY

Ok.

SEXY VOICE

Yeah...that's it...God I Am So Horny...
I wish I was there to help you.....
I wish I was there for you, Barry.

CUT TO:

16. INT. BARRY'S BATHROOM/BEDROOM - LATER

16.

It's a little bit later and Barry stands in his bathroom,
washes his face....HOLD....then he dries his face,
walks into his bedroom, gets into bed wearing T-shirt and
underwear.....he crawls in, curls up in fetal position....

JUMP CUT TO:

17. INT. SAME EXACT ANGLE - MORNING

17.

Sun comes in now. Barry is somehow dressed in a FULL
ADDIDAS SWEAT SUIT complete with SNEAKERS. He wakes up,
looks down and sees this, confused;

BARRY

Whassis?

CUT TO:

18. INT. KITCHEN - MOMENTS LATERSequence C

18.

Barry is dressed for work in another suit now. He grabs some stuff and heads for the door when the phone rings;

BARRY

Hello?

SEXY VOICE

Hey. What are you doing? How are you?

BARRY

I'm fine. Who is this?

SEXY VOICE

Georgia.

BEAT.

BARRY

Hi....what....what's up....?

SEXY VOICE

It's ok that I'm calling, right, I mean?
It's ok.

BARRY

Yeah. No. It's ok. What's goin' on?

SEXY VOICE

I just wanted to call and talk to you,
thank you for last night, try and get
you before you went to work and say, "hey."

BEAT.

BARRY

I'm going to work.

SEXY VOICE

Uhhh...I am sooo tired...I stayed up
too late last night, what about you,
when did you go to sleep?

BARRY

Not very late.

SEXY VOICE

You're going to work now?

BARRY

Yes.

SEXY VOICE

Can I ask you a question?

BARRY

uh-huh.

SEXY VOICE

Remember last night I was talking
to you and I was telling you about
my apartment, my rent -- ?

(beat)

Do you remember?

BARRY

Yes.

SEXY VOICE

This is really weird and really
embarrassing for me but....uh....

(beat)

....I was wondering if you could
help me out with a little bit of money.

BARRY

Me?

SEXY VOICE

Yeah.

BARRY

I can't really. Yeah, No. I mean.
I can't afford it.

SEXY VOICE

You don't even know how much it is.

BARRY

I know but I....how much is it?

SEXY VOICE

Like seven-fifty. Seven hundred fifty?

BARRY

Yes, no, yes. I can't. I can't
afford that. I'm sorry. Sorry.

SEXY VOICE

Really? Please?

BARRY

You have trouble, financial trouble?

SEXY VOICE

Yeah. It's so hard these days and
I really need it.

BARRY

Yes I can't....I don't make enough money
to be able to do that.

SEXY VOICE

I thought you had you're own bussiness.
You said you were gonna diversify
and all that stuff....

BEAT. Barry steps back a little....

SEXY VOICE

So you think you can?

BARRY

No. I'm sorry.

SEXY VOICE

Should I call back and talk to
your girlfriend?

BARRY

....what....?

SEXY VOICE

I was wondering if it's better to ask
your girlfriend for the money?
It could be really easy. I mean,
I have all your information, credit card
information and billing stuff --

Barry hangs up the phone real fast. HOLD. He doesn't move.

CUT TO:

19. INT. BARRY'S WORK/WAREHOUSE - MORNING/LATER

19.

CAMERA (HAND HELD) behind Barry as he walks thru the
warehouse, greets the boys, says hello to Lance, etc.
Lance, taking his cue from Barry, is a bit more dressed
up today....

LANCE

Good morning, Barry....

BARRY

Hi, Lance.

LANCE

What's with all this pudding, what is this?

CAMERA sees that all the pudding Barry bought has been stacked
neatly in a corner. Barry stops dead in his tracks to explain;

BARRY

That's part of a very interesting airline
promotion giveaway that's really tremendous.
I'm going to start a collection of
pudding and coupons that can be redeemed
for frequent flyer miles through Healthy
Choice and American Airlines --

LANCE

You're goin' on a trip?

BARRY

No.....but airline miles are just like a currency these days.

LANCE

You should go on a trip.

BARRY

No thanks.

LANCE

So what should I do with the pudding?

BARRY

Let's just leave it there for now.

Barry goes into his office and looks at the Harmonium. BEAT. He presses some keys, makes a little more noise with it. (a quarter of some sort of melody starts here...)

20. ANGLE, MOMENTS LATER.

Barry is cutting up his CREDIT CARD with some scissors. He throws it away.

20.

21. ANGLE, MOMENTS LATER.

Barry paces around a little bit.....CAMERA stays inside and watches him as he walks outside for a moment, looks around....he sees something outside, hesitates, then dodges back inside the warehouse --

21.

-- once inside, he takes a hurrendous, hurtful fall over something....He stands up quick;

BARRY

This is not supposed to be here. Seriously. Carlos, Carlos, this is really not supposed to be here. I don't mean to be a dick: but that's gonna hurt someone. It already did hurt someone: It hurt me, so please let's move that.

He backs away, then steps OUT OF FRAME...a moment later ELIZABETH (his sister) and LENA (from the opening) enter the warehouse, walking towards Barry;

ELIZABETH (to Lena)

He's wearing a suit again, I don't know why he's wearing a suit, he doesn't usually dress like that --

LENA

It's fine.

CAMERA pushes in towards LENA and blends to 30fps...she smiles, looks ahead, CAMERA slowly pans a 180 around to become her POV.

Barry is standing near the harmonium, fiddling around. He looks up, sees Elizabeth and Lena walking towards him and tenses....they meet in the middle of the warehouse;

ELIZABETH
Hey, what are you doing? Why are you wearing a suit again?

BARRY
I don't know.

LENA
Hi.

BARRY
Hi.

LENA
Do you remember me, I left my car, yesterday.

BARRY
Yes I do.

ELIZABETH
This is Lena, she's a good friend of mine from work. We were in the neighborhood and she had to pick up her car and we're getting breakfast before we go in, so did you want to go? We're gonna go and eat, let's go.

BARRY
Yeah I can't.

ELIZABETH
Why?

BARRY
I have work, I can't leave.

ELIZABETH
Seriously, though: We're going to eat, I said.

BARRY
I'm sorry.

LENA
It's ok. That's alright.

ELIZABETH
Are you learning how to play the piano? What is that?

BARRY
It's not a piano. LANCE! LANCE!
MAKE SURE THAT YOU CALL THAT GUY IN TOLEDO.

LANCE (OC)
WHICH?

BARRY
...I'll tell you later.

ELIZABETH
You don't wanna come to eat with us?

WORKER VOICE
TELEPHONE BARRY ON LINE TWO!

ELIZABETH
What's all this pudding?

BARRY
I don't know. Can you hang on a second?

CAMERA follows Barry as he walks back to his little office,
picks up the phone;

BARRY
Hello?

SEXY VOICE
We got disconnected before....

BARRY
No. No. We got disconnect -- why?
.....you're calling me at work....
how did you get this number -- ?

SEXY VOICE
See the thing is I could make it really
easy on you -- I already have your credit
card number, your information, address
and stuff. This is so awkward asking like
this, I'm sorry --

BARRY
This makes me very uncomfortable.

SEXY VOICE
I need help.

BEAT.

SEXY VOICE
Should I just ask your girlfriend?
(beat)
Maybe I should call back and talk to
your girlfriend?

BARRY

I don't have a girlfriend --

SEXY VOICE

-- you said you did.

BARRY

I know I did. But I don't.

SEXY VOICE

You lied to me?

BARRY

I didn't lie.

SEXY VOICE

Why did you tell me you did, then?

BARRY

This is....illegal....I'll call
the police.

SEXY VOICE

No you won't.

22. ANGLE, ELIZABETH AND LENA.

22.

LENA

I'll go pay for my car.

ELIZABETH

Are you sure?

LENA

Yeah.

ELIZABETH

He's being weird, I'm sorry. I have
no idea why he's being weird and dressed
in a suit --

LENA

It's not bad, it's ok.

ELIZABETH

-- he's so strange I don't know if you
really even would want to go out with him,
someone like him, I said I'd try,
but it's just --

LENA

It's ok, it's alright. I'll come right back,
I'll just go pay for my car.

ELIZABETH

Sorry.

She leaves. Elizabeth heads for Barry's office;

23. ANGLE, BARRY on the phone

23.

SEXY VOICE

Come on, I thought we had fun, rich boy--

BARRY

This is not cool.

SEXY VOICE

It was cool last night.

BARRY

I have to go.

SEXY VOICE

Are you telling me no?

BARRY

No I'm sorry, now I have to get off the phone....

SEXY VOICE

....this is your mistake....

Elizabeth comes walking into his office, starts whispering to him as he's on the phone;

ELIZABETH

Hey, hey, you should ask her out -- what do you think, she's cute, right?

BARRY (into phone)

I'm gonna call you back.

He starts to hang up the phone, turns to Elizabeth as we hear;

SEXY VOICE (trailing off)

...MOTHERFUCKER, NO....

BARRY

She is. I think, why did you come here like this?

ELIZABETH

It's not cool?

BARRY

It's fine, but --

ELIZABETH

-- do you think you'll ask her out?

BARRY

I feel really on the spot now.

ELIZABETH

Are you gonna do it?

BARRY

I don't do that. I don't - things like that.

ELIZABETH

You don't do anything, why are you being scared?

BARRY

I'm not being scared, you're just going to rag me if I do this --

ELIZABETH

I'm not gonna rag you. Why would I do this just to rag you?

BARRY

I don't know.

ELIZABETH

I'll leave then, I'll go to get something from my car, go away so you don't feel pressure. Can I ask you a serious question:

BARRY

What?

ELIZABETH

Did you ask Walter to get you a shrink?
(beat)

Barry, did you ask Walter to get you a shrink? What's wrong with you? Are you ok?

BARRY

I didn't ask him that. He's lying.

ELIZABETH

You're being weird again, see. Come on. Please don't be weird.

24. ANGLE, BARRY AND ELIZABETH, MOMENTS LATER

24.

They walk out and as they do, Lena comes back in with her keys in her hand, Elizabeth keeps walking past;

ELIZABETH

I gotta grab something from my car....

LENA

We should be going --

ELIZABETH (over her shoulder)
Yeah, no, I have to get something from
my car, I said.

Barry and Lena about to be alone as Lance walks up;

LANCE
Which guy in Toledo are you talking about?

BARRY
I'll tell you...the guy...with...
just talk to me later about it, ok?

LANCE
You talkin' to me about Ramada Inn?

BARRY
I have to talk to you in a second
about that, Lance, ok?

He walks away, Lena turns to him;

LENA
I'm sorry I couldn't come to your
sister's birthday party last night,
Elizabeth had invited me and I couldn't
make it --

BARRY
It's fine. It was fun, though.

LENA
It must be weird for you to have
so many sisters?

BARRY
No. Not at all. It's nice.

WORKER (OC)
Telephone, Barry Line One!

Barry turns instantly and walks away....he turns back as he
walks....TWO SHOT - track left w/him....

BARRY (turns back)
One second, sorry.

25. IN THE OFFICE, THAT MOMENT
He picks up the phone.

25.

BARRY
Hello?

GIRL'S VOICE
Hang up again and see the trouble it's
gonna make.

Barry instantly hangs up the phone, turns around and walks back to Lena;

LENA

Bussiness is good, you're busy?

BARRY

Yeah, not really.

LENA

I saw a picture of you.

BARRY

Yes.

LENA

Elizabeth has a picture of you guys -- your sisters and you, it's alot of family, it must be nice.

BARRY

Do you have brothers or sisters?

LENA

No. I'm the exact opposite --

BARRY

That must be nice. That must be really, really, really great.

LENA

It's terrible, no.

No response from Barry. (cut to reverse 2-shot as they look)

LENA

What do you do with all this pudding?

BARRY

That's not mine it's one of the guys that works here. That pudding's not mine.

BEAT. In the b.g., two WORKERS are dealing with getting a large crate on top of a large stack of crates, they're using a fork lift....in an instant the large CRATE tumbles to the ground and SMASHES....Barry attempts to not notice this;

LENA

Oh My God.

BARRY

It's ok. That's ok. How long have you worked with Elizabeth?

The Workers start calling out and apologizing for this to Barry, who keeps looking straight ahead to Lena;

LENA

Six months, maybe five, five or six months...do you wanna check that?

BARRY (to the guys)

Are you guys hurt?

WORKERS/LANCE

No, no, we're ok....Barry, sorry --

BARRY (back to Lena)

So you do what she does, the same work, the same job?

LENA

I do, but I do field consultations mainly too which is cool because I get to travel. I travel. A lot of the time. I'm going to Hawaii on Friday.

BARRY

That's great -- Hawaii.
I was thinking about going there.

LENA

Really?

BARRY

I was, yeah, I was thinking about going there for bussiness --

LENA

-- well, if you're gonna go --

BARRY

-- I'm probably not gonna go though.

LENA

-- oh that's too bad, it's so great over there and if you were there we could say hello to each other or something --

BARRY

-- yeah that would be great, if I was gonna go but I'm not exactly sure, I have so much goin on here --
A lot depends on this thing I might do here and if that happens I can't go and if it doesn't happen then I probably will, but I doubt it.

There's another LOUD CRASH as they try to reposition the box that's fallen, giving way to something else that FALLS. In other words, to correct the mistake they've already made,

they have to sacrifice another CRATE that CRASHES. She looks, Barry just flinches, tries to stay looking straight ahead; CAMERA (HAND HELD) with Elizabeth, comes walking back in.....says to Barry:

ELIZABETH

I can't find that thing in my car,
I can't find it so I'll just get it and
give it to you later. So?

LENA (to Elizabeth)

You ready?

ELIZABETH

Are you coming to eat with us?

BARRY

Yeah I can't.

ELIZABETH (at the crates)

OH MY GOD. Look at that.

LENA (to Barry)

It was great to meet you again.
To see you again, thanks for helping
me yesterday --

BARRY

Ok.

ELIZABETH (to Barry)

What's all this pudding?

BARRY

It's not mine.

ELIZABETH

Why's it here?

BARRY

I have no idea.

LENA (to Elizabeth)

Are you ready?

ELIZABETH (to Barry)

Will you call me later to talk about
asking Walter for the shrink?
And we can talk about - he said you have
this crying problem or something?

LENA

Bye, Barry.

BARRY

Goodbye.

ELIZABETH

Call me later.

Lena and Elizabeth leave. CAMERA leads them as they walk; Sound starts to drop out, we see Barry and the boys cleaning up the boxes in the back....move into a CU on Lena.... Music Cue. Score. treated piano, small rythm/melodic (notes of harmonium so far)/gentle.

ELIZABETH

So I'll meet you at the restaraunt?

LENA

Ok.

Lena gets into her car. Elizabeth keeps walking. She waits until Elizabeth is out of sight at the mouth of the driveway and then she gets back out of her car and walks straight back into the warehouse.

CUT TO:

26. INT. WAREHOUSE - THAT MOMENT

26.

She comes walking in and over to Barry;

LENA

I'm going to go and eat tomorrow night do you want to go with me?

BARRY

Sure.

LENA

Do you want to pick me up?

BARRY

Sure.

LENA

Can I write down my address and phone number for you?

BARRY

Sure.

They do a small search for a piece of paper, get it all written down and sorted out and then -- as they do this there is even more CRASHING AND SMASHING in the b.g., by the boys -- Barry and Lena settle up and say so long.

BARRY

This is funny.

LENA

yeah.

BARRY

I didn't ask anyone for a shrink,
that was someone else. Also: This pudding
is not mine. Also: I'm wearing a suit
because I had a very important bussiness
meeting this morning and I don't have
a crying problem.

LENA

Ok.

BARRY

Alright?

LENA

....Hi.....

BARRY

....Hi.....

She walks off. CAMERA leads her out, holds a CU. as she smiles
to herself -- lead her a bit more until she's outside, and she
gets in her car --

CU. BARRY. He smiles, looks around, holds back his emotion so
it looks like he'll explode....tenses, smiles, tears, looks
around....HOLD. End Music Que.

LANCE (OC)

Barry, Line One, Telephone!

Barry walks in. HOLD. He picks up the phone.

BARRY

Hello?

GIRL'S VOICE

You've just made a war that you
cannot afford.

She hangs up real quick. HOLD. Barry and his harmonium.

CAMERA behind a BLONDE GIRLS HEAD (LATISHA) She speaks to two blonde brothers, DAVID and JIM. In the b.g, walking around holding a BABY is NATE. (Maybe a girlfriend or wife or two)

DAVID

I'll do it.

JIM

I'll do it too.

DAVID

But it's gotta wait until my knee is better. I can't risk it.

LATISHA

You have to do it now.

JIM

If we drive there it's a problem.

LATISHA

Dean will loan you one of his cars.

JIM

Which one?

LATISHA

You have to talk to him --

DAVID

How do you know he's rich?

LATISHA

Because I know, I just know. I mean, I talked to him, I know.

Nate emerges a bit from the b.g.

NATE

Where are you guys going?

DAVID
California. Los Angeles.

NATE
When are you leaving?

DAVID
Right now.

LATISHA
Let's go talk to Dean.

CUT TO:

33. INT. LOCAL BAR/PROVO - LATER

LATISHA, DAVID, JIM and NATE enter and meet DEAN TRUMBELL, listening to AFTER EDEN play onstage, standing in the middle of the room.

DEAN
Hey guys.

DAVID/JIM/NATE
Hey, Dean.

LATISHA
So they'll go.

DEAN
I'm only paying two of you guys.

DAVID
That's cool.

DEAN
When can you leave?

DAVID
As soon as you want.

DEAN
I want you to go right away,
I think that's best. I also need
you to check out a car for me down
there that this guy is selling.

They walk towards a back room, as they do the pass a REGULAR JOE who bumps into Dean accidentally, Dean explodes;

DEAN
You wanna fuck around, asshole? You
wanna get tough, wanna see me kick
some motherfuck around here?

REGULAR JOE
Take it easy, man, relax. Don't --

DEAN

I'll relax your fucking head -- this is my personal space, man, this is my personal fucking space, you don't violate that, you don't do that.

REGULAR JOE

I've got a glass in my hand why don't you chill out?

DEAN

You've got a glass?

Dean takes a BEER BOTTLE and SMASHES it in half on the bar, holds it up to the guy --

DEAN

YEAH. YOU'VE GOT A GLASS, NOW I'VE GOT A GLASS. I'VE GOT A GLASS TOO MOTHERFUCK.

JUMP CUT TO:

34. INT. SAME - MOMENTS LATER

Dean gets in the middle of it;

DEAN

Take it easy, take it easy you guys in here, I need to talk to you later, Tommy -- I wanna know if you wanna book the boys --

He motions over his shoulder to Ashes to Ashes.

MAN

I'll talk to you later.

WOMAN

YOU WON'T FUCKIN' TALK TO HIM LATER, I WILL CRUSH YOU. I WILL CRUSH YOU, ASSHOLE.

They enter into an upstairs office area. It has a couple desks and off to the side, in a small, partitioned off room is The Phone Sex Area; a GIRL on the phone. (We hear bits of her call, e.g. "Me? I'm in Florida. Laying on my bed.")

There are posters for Ashes to Ashes, filing cabinets, posters of CARS, lots of various small bussines items like order forms and pamphlets, etc. Dean collects a piece of paper and hands it to David/Nate/Jim;

DEAN

Your expenses are your own.

DAVID

I thought Latisha said you would --

DEAN

-- she didn't know what she was talking about --

DAVID

It's....whatever....that's not cool.

DEAN

David, Don't. Just. Seriously. It doesn't make sense if you think about it in a fair deal like sense. ok? It's business. Seriously. One hundred dollars for two days work is alot more than you're family is making sitting around your house. I'm serious now. Ok. Please. Now. Just stop.

He hands him a set of KEYS and goes through the info;

DEAN

...keys for the truck. You have to gas it up and save the receipts on that. His address. We have a business address too if you need that -- but hit him at his house first, see what this little bad boy is all about and shake him up -- give him a little doe-see-doe --

LATISHA

uch. Shut up, Dean.

DEAN

What's the problem?

LATISHA

You don't need to talk all macho,
"shake him out, little bad boy."
Whatever -- you're not an action hero,
tough guy, you're not a gangster --

He makes a very SUDDEN AND QUICK MOVE towards her and she
FLINCHES.

DEAN

Flinchy. That's what I thought. Shut up.

(to Greg)

call me when you see this guy -- check
him out see what's what. She asked
him for seven fifty when she was on
the phone with him, so -- just call me
when you get there.

He hands him another piece of paper and a photo;

DEAN

This is this place called Ace Vintage,
you gotta find it, I don't know exactly
where this is and I don't understand these
maps so just go there and check it out.
It's a '61 AC Cobra that this old guy says
is fine, but I need to figure out why
he's only asking 23 for it.
So take a look, the whole thing, call me about
that, if it seems alright then I'll head
down there and check it out.

DAVID

ok.

DEAN

That's it.

DAVID

Can we maybe ask for more money on this?

LATISHA

Why?

DAVID

...because it's California? I mean it's
like a nine or ten hour drive. It's not
like going to Salt Lake and getting
the Mormon's, it's different...

After a long, long staring contest with David, Dean SUDDENLY
AND VERY VIOLENTLY PUTS HIS FIST THROUGH THE WALL....then
turns to David.....Latisha rolls her eyes. David, Nate and
Jim leave.

THE RIGHT SIDE OF THE THE SCREEN travels (STEADICAM) with Barry as he walks into the RECEPTION AREA. There is a SECURITY GUARD (black, female) who asks him his name, where he's going and to sign in. The Security Guard calls up to Lena's place....

....and we watch Lena answer the phone....

...The Security Guard gives Barry some very complicated directions....we follow/lead Barry as he makes his way through the maze/up elevators/down corridors looking for Lena's apartment.....Finally, he arrives, knocks;

LENA

Who is it?

BARRY

It's Barry.

As she opens the door, THE SPLIT SCREEN SLIDES AWAY AND THE IMAGES GIVE WAY TO THE ONE OF LENA standing;

LENA

Hi.

wanted to meet you.

(beat)

I came to drop my car off there
on purpose, to try and meet you.

Barry leans a little bit out of FRAME.

BARRY

...really? That's nice.
...are you lying?

LENA

....I thought I should tell you.
I didn't want to get too far along
on going out and be hiding something --

BEAT. He leans slightly back in FRAME.

BARRY

That's very nice. Thank you.
Thank you for saying that.

(beat)

You're friends with my sister?

LENA

yeah.

BARRY

How long have you known her?

LENA

About six months.

BARRY

You like her?

LENA

Yeah. yeah we get along well.

(beat)

You didn't get along with her very well?

BARRY

Did you really come to meet me on purpose
or are you lying about that?

LENA

No, no. I did.

BARRY

That's nice. It's nice.

(beat)

I've been looking around alot lately at ~~promotional~~ giveaways, cross promotional work by some companies. Do you remember all that pudding?

LENA

Yeah.

BARRY

So that pudding was bought, I bought that pudding because of a pretty interesting promotion that's sponsored by Healthy Choice and American Airlines. It's designed to encourage airline travel and obviously designed to encourage buying Healthy Choice products. They make frozen meals, deli meats, pasta sauce, breads, soups and ice creams, this sort of thing.....

LENA

yeah?

BARRY

....i'm sorry....I lost my thoughts, what I was saying....

LENA

You were talking about the promotion --

BARRY

-- the promotion says: buy any 10 Healthy Choice products and get 500 miles of airline travel or 1,000 for purchases made with a special coupon. So in the supermarket, you notice their products, first you notice they have a Teryiaki Chicken Dinner at \$1.79 - that's a pretty good deal....but then I noticed they had soup at 89 cents a can.....and you start to do the math and you start to notice that it's a really amazing deal because I stumbled across the pudding at 25 cents a cup. Now the crucial thing is the bar codes on the label. That's those little bar codes, you know? the universal product codes?

LENA

Yeah.

BARRY

That's what's used to redeem the mileage, so in noticing the pudding, each cup had an individual bar code -- in other words: Two dollars and fifty cents for ten cups of pudding is 500 miles. add in the coupon: it's one thousand. you see?

LENA

Yeah.

BARRY

You see?

LENA

yeah, no, I see --

BARRY

you see if you spent \$3,000 dollars on pudding you could earn over one million frequent flyer miles.

LENA

That's insane. That is really, really crazy. That's just crazy if you spend three thousand dollars on pudding.

BARRY

....yeah....

LENA

So that was your pudding?

BARRY

....No....

LENA

I'm sorry. I thought you said --

BARRY

No I didn't say that.

LENA

I thought you said you bought all that pudding --

BARRY

My friend Carlos is doing it who works with me. It's his. It's his pudding, he's doing it. It's not mine. He's crazy. I told him not to do it. He's the one who's insane. He only spent about one hundred dollars so far though --

LENA

Your sister was telling me a pretty funny story about you, when you guys were kids and you were building a ramp for your dog and you threw a hammer through a window? Is that right? you threw a hammer through a sliding glass door?

Barry starts to WELL WITH TEARS, which he hides very quickly, holds a hand up to his face as if he's touching his nose, and then he smiles;

BARRY

I don't remember that, she might be lying. I have to go the bathroom.

He gets up and goes.
